*Dear Mr. Capezio,*

*I am taking a moment to express my thanks and great satisfaction for the work that Capezio Contractors, Inc. performed at my home following a roof leak that had developed due to a severe wind and rain storm here in Annapolis last month.*

*I was especially pleased by the assistance that Glenn Kilchenstein provided as well as Erie Insurance's adjuster in acting swiftly to assess the damage and get the clean-up and repair work scheduled and executed.*

*Also, my Erie Insurance Agent deserves much of the credit for lining up your company to do the repair work in the first place. His assistance to me as a customer has always been outstanding.*

*Lastly, Marty with All Painting did the drywall repair and painting, he worked for two days solid and his professionalism and skill made the repair work a real joy. He is an outstanding, highly skilled painter and we are very happy that Capezio enlisted his services. The area that he repaired and painted looks absolutely outstanding and his friendly, unimposing demeanor made this a positive experience.*

*Again, thanks for your companies help!*

*Sincerely,*

*Annapolis, MD*
