

Dear Mr. Capezio,

Our home suffered major damage due to a Hurricane and we were devastated by this occurrence. We are thankful that your company was recommended to us by our insurance company, we understand now why you are a five star rated company!

We would like to take this opportunity to thank you and your staff for the hard work that was performed to make our house a home again. We were able to move back in a couple of weeks before Christmas and enjoy our Holiday with family in our newly restored home. It was wonderful.

We would like to thank Kyle, Kirk, Mike, Jason, Rick, Chris and Milton for all their hard work. They are a very professional group of employees you have working for you. From the demolition, roofing, siding, the painters to the restoration of the inside of our home...it was amazing! We would also like to extend a special thank you to Pete Magnesi who built our beautiful fireplace.

We would like to send a special thank you to Kirk for his attentiveness to our needs. He was extremely responsive to our needs. His tenacity in keeping things on schedule was outstanding. He was always available to take our calls and responded quickly on any questions or concerns that we had. His project management skills are without question the best we have seen. He is very personable and easy to work with.

We cannot say enough about Mike. What an outstanding employee you have. He worked long, long hours at our house to get us back in before the Holidays. His workmanship is remarkable, not only is he an accomplished craftsman, but he became a good friend. His recommendations on different aspects of the restoration helped us make many decisions on the final outcome. We welcome him back to our home anytime. We cannot put into words how we appreciate the hard work and "Thank-You" is not enough.

We highly recommend your company to others.

*Sincerely,
California, MD*
